The 2025 Games will be held in St. John, NFLD at dates yet to be determined. The age groups for the games will be finalized at the Softball Canada AGM in November 2022. We will be holding a one-day professional development session in January or February 2023 in Davidson. We will have former games coaches in attendance to share their experiences from past involvement in the games.

We are asking those that are interested in this expression of interest to provide the following information by Dec. 1<sup>st</sup>, 2022:

- Contact information (email and cell number)
- Are you interested in coaching the female team or male team
- Are you interested in being the Head Coach or an Assistant coach
- Highlight your previous coaching experience for at least the last 3 years
- Provide your current coach certification status
- Indicate why you are interested in coaching a team at the 2025 Canada Summer Games

The Head Coach and at least one assistant Coach must be Competition Development Certified, and the other Assistant must be Competition Introduction Certified. Softball Saskatchewan will provide and pay for any professional development needed by the coaches. The Head Coach is a volunteer position.
